RE: Recycled Steel Content

The steel(s) used by BarSplice Products, Inc. in the manufacture of BPI® Barsplicer threaded couplers, threaded headed devices, and threaded structural connectors are procured from U.S. domestic steel mill(s) that have reported their recycled steel content as follows:

Mill Name and Location	Recycled Content (Approximate)			Non-Recycled Content (Approximate)
	Post-Consumer	Post-Industrial	Total	
Nucor Bar Mill Group Darlington, SC	57.7%	29.4%	87.1%	12.9%
Nucor Bar Mill Group Norfolk, NE	62.0%	31.0%	93.0%	7.0%
Alton Steel, Inc. Alton, IL	80.4%	7.9%	88.3%	11.7%
Niagara Lasalle South Holland, IL (Alton Material)				
Steel Dynamics, Inc. Pittsboro, IN	67.0%	30.0%	97.0%	3.0%
Niagara Lasalle South Holland, IL (Steel Dynamics Material)				

Respectfully Submitted,

Tim Cartwright
