LEEDS document for Williams Everlastic Column Boxboard.

The **Troy, Mi** location of Williams Products, Inc , manufactures and is a supplier of a variety of masonry, concrete, and architectural construction products.

MR4 - Recycled Content:

Post-Commercial Recycled content of item: The **Williams Everlastic Column Boxboard** is constructed of 100% recycled paper.

MR5 - Regional Material:

Williams Everlastic Column Boxboard is manufactured in Mt. Clemens, Mi.

MR - 7 Certified Wood:

Williams Everlastic Column Boxboard is a 100% wood product.

Applicable Product Information:

Williams Everlastic Column Boxboard is constructed from 100% recycled paper. While post consumer content is sometimes included, the majority is post-industrial. The corrugated material meet or exceeds all specifications of Commercial Item Description Paper Board, Wrapping and Cushioning A-A-101C dated November 1, 1995. Additionally, this product meets the definition of an "Article". This is a manufactured item which; (i) is formed to a specific shape or design during manufacture; (ii) has end use function dependent in whole or in part upon its shape or design during end use; and (iii) does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use. Therefore a Material Safety Data Sheet (MSDS) is not required for paper products.
